

Pursuant to section 29 of the Central Bank Act, 2000, The Central Bank of the Bahamas serves as the Registrar to the Bahamian Government and issues Bahamas Registered Stocks (BRS) on its behalf.

This Bahamas Registered Stock Purchase Application serves as a Purchase Agreement between the Central Bank of The Bahamas, on behalf of the Bahamian Government, and the purchaser(s).

All securities, including BRS, carry risk and all investment decisions of an individual are the responsibility of that investor. Although guaranteed by the Government of The Bahamas, Bahamas Registered Stocks are not devoid of market risk. Therefore, the value of the Government-issued bonds may fluctuate due to general market conditions or other factors.

Investors who might have uncertainty as to the merits of an investment should seek advice from an independent financial advisor prior to participation.
