

Repatriation

N.B.: Applicable for permanent and temporary residents that intend to return to their home country. An approval provides permission to convert local assets to foreign currency.

- i. name and address of applicant;
- ii. a copy of applicant's Bahamas immigration document;
- iii. a copy of the relevant pages of applicant's passport;
- iv. confirmation of applicant's future residential intentions;
- v. documentation relating to sale of local capital assets (e.g., sales agreement with respect to sale of shares, real property, etc.), if applicable;
- vi. documentation relating to non-exempt foreign currency assets held by Permanent Resident (e.g., share certificate for foreign securities acquired after becoming a resident of The Bahamas);
- vii. evidence of availability of funds for conversion and remittance.
