

PRESS RELEASE

CENTRAL BANK OF THE BAHAMAS

STAKEHOLDERS SURVEY 2017

As part of its ongoing commitment to transparency and accountability in advancing its mandate to the Bahamian public and the wider international community, the Central Bank of The Bahamas is instituting its **STAKEHOLDERS' SURVEY 2017**. The survey is aimed at individuals, institutions and Government and non-Government organisations that regularly interact with the Central Bank directly or through its various portals. We strongly encourage these stakeholders to share with the Bank, through this survey, their experience with the institution, ease of doing business and usefulness of its publications, etc.

The Bank intends to maintain the survey as an ongoing enterprise and will make use of the findings contained, to continuously improve on the way we interact with our stakeholders. The survey will also allow the Bank to assess specific stakeholder's needs, refine its communications' strategy and review its publications' and announcements' policies.

The survey can be completed via the link below or directly on the Bank's website. The deadline for submission is 25 August 2017 at 5:00 p.m. Should you have any questions about the survey, please direct them to the External Relations Unit (EXR@centralbankbahamas.com). Thank you for your participation!
