

Business Confidence & Expectations Survey

Instructions: Please read carefully.

- 1. The questions on this survey are organised into three main sections:
 - In the first section (A) you are asked to give your views on how current economic conditions have evolved during the last 6 months, as compared to conditions you believed existed one year ago.
 - The next section (B) asks a single question on staffing adequacy.
 - The final section (C) asks your views on how economic and business conditions or factors are likely to change in the coming 6 months.
- 2. For each question, please check the box that best corresponds to the answer you wish to give.
- 3. Individual responses are confidential and will not be disclosed by the Central Bank.
