

Press Release

Premature Public Traffic Notice of Temporary Road Closure

The Central Bank of The Bahamas is aware of a Public Traffic Notice [of the] Temporary Road Closure of East Hill Street circulating on social media. The Central Bank is not the source of this communication and advises the public that the release of this notice is premature. The demolition of the Main Post Office and Royal Victoria Gardens has not begun. Adjacent streets remain open and accessible to vehicular and pedestrian traffic. The Bank will advise the public ahead of scheduled road closures and demolition exercises.

For future announcements on the Central Bank's New Premises Project, please visit our website or follow our social media pages.
