

Notice on Holiday Gifts

30th November, 2022

The Central Bank of The Bahamas wishes to remind supervised financial institutions (SFIs) and members of the public of its policy regarding gifts or entertainment offered to Central Bank employees. Although the intent may be benign, the Central Bank has taken a formal and restrictive posture in this area. As such, its employees are required to decline such gestures.

We thank you for your cooperation in this regard, and extend best wishes for the holiday season.
