BANK SUPERVISION DEPARTMENT

Deputy Manager Resolution and Crises Management

CORE FUNCTIONS:

- Lead the development, drafting and implementation of resolution plans with respect to supervised financial institutions (including at a consolidated level, in consultation with other domestic regulatory or supervisory authorities) using information and analysis submitted by the Supervised Financial Institutions.
- Oversee the updating of the resolution plan of a supervised financial institution as frequently as is necessary based on the risk profile.
- Develop a resolution toolkit that sets out the internal guidance needed to implement resolution of supervised financial institutions.
- Develop communication strategies and procedures for a range of financial crises in coordination with other external stakeholders.
- Manage the operations of the Deposit Insurance Corporation (DIC) and oversee the technical assessments relative to its readiness to make pay-outs, building up the target size of the Fund and developing public awareness programs.

EDUCATION & EXPERIENCE REQUIREMENTS:

- Master's degree or equivalent established professional designation in law, accounting, banking or finance, economics, or related subject from a recognized tertiary institution and seven (7) years' experience in dealing with corporate insolvency or related field, liquidation or mergers and acquisitions;
- Solid understanding of the financial risk management, (i.e. credit risk management, treasury risk management), and/or analysis of financial institutions performance, legislation and regulatory oversight applicable to the Deposit Insurance member institutions, and the economic and policy issues affecting the Bahamian financial system and how they might impact DIC's membership;
- Solid analytical, research and policy analysis skills;
- Software skillset in programming or Visual Basic, R, Eviews, Stata;
- Solid knowledge of the preparation of clear, sound, accurate and informative statistical, financial, and other reports;
- Solid knowledge of companies law and financial sector laws and regulation;
- Solid oral and written communication skills with a confident and effective presentation style;
- Sound knowledge of management principles;
- Sound human relations skills;
- Solid knowledge of Microsoft applications (i.e. Word, Excel, Access PowerPoint); and
- Project management experience is highly desirable but not required.
