Instructions for participation in the Treasury Bill Tender are outlined below:

**Participation:** Investors may participate in the tender process in two ways:

- (1) **Competitive Participation** (*Bids of nominal value \$500,000 or greater*) – prospective investors submit tenders providing a **bid price for consideration**. Tenders are to be submitted electronically, in PDF format, to [domestictenders@centralbankbahamas.com](mailto:domestictenders@centralbankbahamas.com), **no later** than 3:00 p.m. on the Tender Date.

Example of purchase of 91–day T-Bills by a competitive participant:

*"[Investor Name] hereby tenders for 91-day Treasury Bills at nominal value \$1,000,000 at the price of \$99.3874."*

- (2) **Non-competitive Participation** (*nominal value below \$500,000*) – following the initial tender and based on availability, investors may purchase at the market-derived average tender price. Prospective investors are to contact the Markets Unit at [domesticdebt@centralbankbahamas.com](mailto:domesticdebt@centralbankbahamas.com) expressing interest in purchasing available T-Bills via the secondary market. Non-competitive investors are permitted to purchase both 91-day and 182-day T-Bills.
- (3) All individual investors participating in tenders via Central Bank must submit their tender letters and payments, equivalent to face value of the request, **no later** than 3:00 p.m. on the Tender Date

Example of purchase of 91–day T-Bills by a non-competitive participant:

*"[Investor Name] would like to invest in 91-days Treasury Bills at the nominal value of \$100,000 at the market price."*

**Allocation:** **Competitive Participation** – Successful participants will receive a confirmation on the first business day following the tender.

**Purchase Price:** Investors participating non-competitively will purchase at the average tender price derived from the tender i.e. market price. For a non-competitive investor purchasing \$100,000 of 91-day T-Bills at the prevailing average tender price of 99.3598 on April 22, 20XX, the cost was \$99,359.80\*\*.

\*\*Issue Date: April 22, 20XX

Maturity Date: July 22, 20XX

*Cost to investor*     $\$100,000 * (99.3598/100) = \$99,359.80$
