

Be S.M.A.R.T. About Investment Fraud and Scams

S **Spot** scams and fraudsters by being skeptical and smart.

M **Magnify** or take a closer look. Offers that seem too good to be true often are.

A **Always authenticate** or verify the source and avoid giving personal information and funds to unknown individuals and companies.

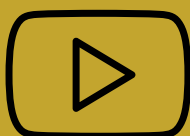

R **Report** detected scams and frauds to the authorities.

T **Trusted** institution like the Central Bank of The Bahamas will only conduct transactions through licensed financial institutions.

Visit the Central Bank's official website for additional information on financial fraud.
